

## KidMin changes for the New Year!

Many changes are happening at CCPC in 2019! With the move of our contemporary service from Saturday evenings to Sunday mornings at 9:30am in Kirk Hall, we will be welcoming new children and their families to our Sunday morning Children's Ministries.

Since we will have two services occurring in two different locations at 9:30am beginning Jan. 6, 2019, we have decided to have you take **ALL** of your children directly to their assigned worship centers prior to 9:30am. This means that there will no longer be a Children's message at the 9:30 service since kids will be checked-in to their rooms before service.

**Check-in stations** will be available in the Welcome Center, outside of Kirk Hall and at each Worship Center (LL-19 or Activity Area) or classroom (Room 102, Nursery) location. We will have a total of 7 check-in stations. **ALL CHILDREN MUST HAVE A NAME TAG** indicating that they have been checked in at a Connect station. Your child's children's ministry leader may help you with check-in if this is all new to you!

You can download the CCPC Connect app to your cell phone from your app store. If you have not created an account previously, please create one by using your preferred email address. The system will automatically assign you an account password. Using this app on your cell phone will enable you to check-in your child on the way to church or upon arrival. Present the QR code at any of the Kiosk scanners and your child's name tag will print out. Our Kiosks can also be used

by a fingerprint reader or touch screen with a PIN (Personal ID Number) you set-up at the kiosk. If you've forgotten your pin, no worries! Look for one of our greeters or a leader wearing a green "KidMin" badge and they can get you in! Kiosks will be located in the Welcome Center, Nursery and Children's Church Activity Area. Print stations will be used by our Children's Ministry staff to assist with check in.

In 2019, all children must be checked in and have a name tag on their clothing to be admitted to the ministry areas. This will ensure that all adults have a security claim tag available to pick-up their child.

Call to Worship Readers will continue to enter the Sanctuary for their scheduled rotation. Please check in your reader before your family enters the Sanctuary for worship. That communicates to us that your student is present and we are to expect him or her down in Kidz Church by 9:45am. That way, we can send out a "search party" for them if they don't show up! It's a safety thing.

Choir and Bell members will continue to serve in worship for the introit part of the service. Again, please do check in your student before they enter the choir or bell room, prior to worship.

Thank you for your partnership in our family of God!
